

EDINBURGH DIVING NEWSLETTER

April 2003

We hope you all had a good Easter holiday and are ready to start the new dry land training. We are now into week two and are very pleased with the progress so far. There are going to be challenges set this week and we will be measuring, pushing, testing and timing everyone to see their improvement. Things are working better now that Mary has got to grips with the stopwatch! There are also team challenges which we will explain during the course of the week.

As you know, the pool is now closed and we feel it would be exciting to have an opening party when the work has been completed. We thought of a fun day at the pool during the August Novice competition with games, a quiz or two and stalls selling club

merchandise and other diving gifts ie. Pens, wallets etc. We will also have the new Edinburgh Diving Tee-shirts available for purchase. There will be three different colours – one for Full Club members, one for Novice club members and one for divers in the lesson programme. In the evening, there will be a disco to launch the opening of the boards with a presentation of prizes for all the dry land challenges. Further information will be available either on the notice board or in the newsletter nearer the time and we hope as many divers and parents as possible will come along. So keep practising these handstands and press-ups!

If anyone wishes to book into dry land training, there are still spaces available on a Wednesday

A team of 15 divers, 2 coaches (Mary and Peter) and 2 chaperones travelled to Plymouth for the top novice event in the country. All the divers performed well, and a special mention must go to Mandie Arthur for a brilliant result. Mandie won the Silver medal in the Girl's 12/13 Age Group against strong opposition. Unfortunately, Ashleigh was unwell during the weekend and was unable to dive. I'm happy to say that Ashleigh is much better now and we are glad to see her back training with us.

Star of the Trip - This was awarded to **Louise Fleming** who dived very well in her competition, scoring the highest judges mark in the whole event. Her behaviour all weekend was perfect and she was always smiling!

OBITUARY

Lady Mae Heatly O.B.E.

1919 - 2003

Mae Heatly, Honorary Vice President of Edinburgh Diving Club died after a long illness on 13th April. Mae had a lifetime connection with the sport of swimming and diving. A member of Warrender Baths Club and past President of the club, the district and the Scottish ASA, she undertook many roles within the sport, following a very successful career as a swimming and diving champion.

Her career as Assistant Team manager of Scottish teams at Commonwealth Games led to her appointment as Assistant General Team Manager of Scotland's Team at Brisbane in 1982 and Edinburgh in 1986. She was awarded the Queen's Jubilee Medal and the O.B.E. for her services to sport..... She was a lovely lady and will be sadly missed.

This is the second part of the article written by our former president and Life member, Bill Law

DIVING IN EDINBURGH - PART TWO

After the 1958 Commonwealth Games, the Edinburgh divers continued to meet at the Rosyth Pool on Saturday afternoons and Wednesday evenings. The journey by car and ferry took over an hour in each direction, leaving just over an hour for training. During the summer months diving was available at Portobello Open Air Pool, but due to the extreme cold, little more than performing ones dives once or twice per session was possible.

Prior to the summer months, it was necessary to travel to Aberdeen for the weekend to obtain 10 metre facilities. Again this was at our own expense, without a coach and relying on ones fellow divers to suggest a remedy for being "short" or "over".

However, the Edinburgh group did a great deal of open air exhibition and competition diving in North Berwick, Port Seton (10m), and Dunbar in the East, and travelled to Arbroath (10m), St. Andrews, Step Rock Pool, Burntisland, Prestwick and Cumnock, giving displays in Crail harbour and as far a field as Campbeltown harbour and Pickie Pool in Bangor, Northern Ireland.

In the early sixties, rumour abounded that Edinburgh was to bid for the Commonwealth Games and that an indoor pool would be needed for the swimming and diving events. This gave us great heart, but seemed a long time away, particularly to those whose 30th birthday was looming!
